

REMARKS

A Notice of Allowance has been received in the above-identified application but the issue fee has not, as yet, been paid.

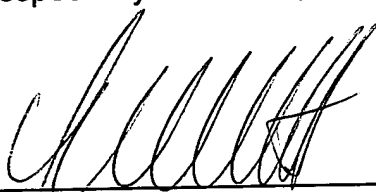

A review of the disclosure has revealed that the title should be amended to correspond to the amendment as filed in applicant's response on April 29, 2002. The amendment to the title does not affect the allowability of the claims.

The Commissioner is hereby authorized to charge fees which may be required, or credit any overpayment to Deposit Account No. 06-0502.

Entry of this amendment is respectfully requested.

Respectfully submitted,

By: _____
